## Who We Are

The Friends were started in 1973 to sponsor activities like children's programming, the acquisition of special book editions, and to fund and maintain library equipment. The Friends operated the Library's immensely popular Book Sale for many years.

The Supporters came together in 1994 to support and underwrite special projects at the Library, like computers and internet access, access technology and hardware, the Library renovation Capital Campaign and the renovation of the belfry.

In 2015 the Friends and Supporters joined forces in support of this critical community institution. We elected to retain the name *Friends of the Provincetown Public Library* in honor of an early and ardent champion of the Friends, Mary O'Malley.

We are a 501(c)(3) organization. All contributions are tax deductible to the fullest extent allowed by law.
